RE: Changes to the Comcast channel line-up in your community

Dear Mr. Seely:

In Comcast's continuing effort to keep you updated and informed, I wanted to take this opportunity to provide you with information regarding changes to the Comcast channel line-up in your community.

Beginning December 12, 2017, *National Geographic*, display channel 273, and *National Geographic HD*, display channel 206, will be included in the Digital Economy package. Customers subscribing to the Digital Economy package and who utilize HD equipment will be able to view *National Geographic HD*.

Starting January 11, 2018, *Spike*, display channel 49, and *Spike HD*, display channel 290, will migrate from the Digital Preferred Package to the Sports and Entertainment Package. Customers subscribing to the Sports and Entertainment Package and who utilize HD equipment will be able to view *Spike HD*.

Also taking place on January 11, 2018, *FS Prime Ticket*, display channel 424; *Fox Sports Sun*, display channel 423; *NBC Sports Bay Area*, display channel 425; *NBC Sports Boston*, display channel 422; *Outside Television*, display channel 409; *SportsNet New York*, display channel 420 and *World Fishing Network*, display channel 426, will no longer be included on the Comcast channel line-up as part of the Sports and Entertainment Package.

Customers will be notified in advance of these changes. Please feel free to contact me if you have any questions or would like additional information; I can be reached at (224) 229-6844.

Sincerely,

Greg Gomolka
Government Affairs Manager
