

NAPIER AVENUE WALK BIKE

NAPIER AVENUE PEDESTRIAN AND BICYCLE PLAN

Join us at a public meeting to see what may be in store for the future of Napier Avenue!

The Southwest Michigan Planning Commission is working with Benton Charter Township, St. Joseph Charter Township, the Berrien County Road Department, MDOT, and others on a plan to make it easier, safer, and more appealing to walk and bike along Napier Avenue. A draft of that plan is now available for public review.

Open house attendees will be given the opportunity to take a tour of a demonstration of potential future pedestrian improvements along the corridor (weather permitting).

Please join us at the open house to give us your feedback on the future of Napier Avenue. Bring questions, get answers!
