Southwest Michigan Egg Drop: rescheduled for April 3, 2021 due to COVID-19

Benton Harbor, MI - It is with an abundance of caution, concern for community wellness, and a stewardship of resources in a time of crisis that the Southwest Michigan Egg Drop 2020 has been cancelled. All of the Southwest Michigan Egg Drop sponsors, the helicopter, and the location have been secured for 2021! The event previously scheduled for April 11, 2020 will be held on April 3, 2021 in the same great location at *the St. Joseph Charter Township's Maiden Lane Park at 1051 Maiden Ln in St. Joseph, Michigan.*

“The goal of the **Southwest Michigan Egg Drop** is to gather people in our community around a positive annual event that will let them know they are loved and valued,” said Brian Bennett, lead pastor of Overflow Church. “Right now is a time in our country, and community, where we want them to know we are available and serving in other ways with that same love”. Overflow Church would like to invite the more than 800+ people that pre-registered (and any others) to visit their website to find hope and help in this difficult time: www.overflowchurch.org

Overflow has moved all of its weekend gatherings and weekly groups online and invites anyone to tune into their live services and reach out for help should they need it. While the **Southwest Michigan Egg Drop** will be missed in 2020 you can still celebrate Easter online with Overflow Church: www.online.overflowchurch.org
